

School Based Mentoring

Students involved in this sub-program of UW-FDL Mentorship, will work with Big Brothers Big Sisters of Fond du Lac County. Students will get a chance to make a difference in a child's life and at the same time develop a new friendship.

This sub-program is offered through Big Brothers Big Sisters as school based mentoring. School based mentors are matched with a little, for a 2 semester commitment. Students must meet with their little at least one hour a week, during lunch (after-school hours available). Schools will be the sites of mentees.

It is the student's responsibility to contact the agency and set up placement. Please contact:
