

Student Information Technology Training Program

UW-Fond du Lac campus will be hiring and training one incoming freshman to work for two years in the Information Technology (IT) department. Here's your chance to gain valuable on-the-job training in the technology field as well as earn enough money to pay for your tuition and more!

Only one full-time freshman will be invited to participate in this outstanding educational and job-training program.

Students, who complete the first year of the program including summer training, academic year employment and following summer employment, will also receive a \$1,000 stipend for the second year of participation in the program, to be paid \$500 at the beginning of the Fall and Spring semesters.

Students will assist campus Information Technology staff in:

- Technical support of distance education classes.
- Troubleshooting hardware and software problems.
- Help desk support for student computer labs.
- Desktop support for faculty, staff, and students.
- Software and hardware documentation.
- Other responsibilities as assigned.

Program highlights include:

Four day intensive training at UW-Richland or UW-Marathon County. Travel, meals, and housing will be covered and students will also be paid a stipend (\$7.50/hour) for the training (June 20-24, 2011).

Followed by 10 thirty hour weeks of employment at \$7.50/hour before classes begin to earn up to \$2,250 (June 27-September 2).

Employment during the school year (2011-2012) beginning September 5, 2011 in the IT department. Students will earn up to \$3,600 working an average of 15 hours/week for 30 weeks, at \$8.00/hour.

Summer employment after freshman year at UW-Fond du Lac, students will work approximately 14 weeks at \$8.00/hour. Students can earn up to \$3,360 during the summer.

Employment during sophomore year (2012-2013) working an average of 15 hours/week at \$8.50/hour.

Qualifications

- Strong academic record.
- Computer literacy (experience with e-mail, web browsing, word processing) is helpful but not required.
- Personable, experience working with people, and good communication skills.
- Be able to work one night per week during school sessions.
- Attend UW-Fond du Lac for two years.

If you are interested in being considered for this program, please contact the Information Technology Department at the UW-Fond du Lac campus. All applications must be received by April 29, 2011 by 4:30 pm.
